PROPOSED TEMPORARY CLOSURE OF A350 PRESTON HILL, IWERNE MINSTER

I have received an application from Sunbelt on behalf of Openreach to close A350 Preston Hill, Iwerne Minster between Oyles Mill Lane and a point approximately 280 metres to the south (in both directions). The closure has been requested to allow Sunbelt on behalf of Openreach safe access to carry out pole testing. These works are programmed to commence from 05:30, 11th December 2022 until 08:30, 11th December 2022.

Sunbelt on behalf of Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 25 November 2022.
