

PROPOSED TEMPORARY CLOSURE OF SOUTH STREET, FONTMELL MAGNA

NIGHT WORKS

I have received an application from Wessex Water to close SOUTH STREET, FONTMELL MAGNA from the junction and where the road meets with Sutton View (in both directions), a distance of approximately 50 metres from this point. The closure has been requested to allow Wessex Water to extend a existing water main into site for new development. Existing main is in the middle of the carriageway.

These works are programmed to commence from 16th August 2022 between 20:00 and 05:00 until 19th August 2022. The road will be open outside of these hours.

Wessex Water will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Nigel Coelho, (trafficteam@dorsetcouncil.gov.uk) by 29th July 2022.
