## PROPOSED TEMPORARY CLOSURE OF GUPPLES LANE, HARTGROVE

I have received an application from Amberon Traffic Management agents working on behalf of Stabilised Pavements Ltd to close Gupples Lane, Hartgrove in its entirety, a distance of approximately 1280 metres. The closure has been requested to allow Stabilised Pavements Ltd to carry out carriageway maintenance works. These works are programmed to commence from 16th August 2023 until 19th August 2023.

Stabilised Pavements Ltd will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 1st August 2023.
