

URGENT AID FOR UKRAINE

An appeal from Wai Man & Nikki Cheung @ The White Cottage, Fontmell Magna.

Hello neighbours I am taking part in an aid convoy to the Polish/Ukrainian border next Friday 18th. I am working closely with the organisation Van-Aid and the Polski Klub Southampton. I will be transporting items that are specifically needed. These include:

- dry food stuffs such as rice and pasta
- baby foods
- antiseptic creams such as Sudocrem
- sweets and juice cartons

The Springhead Trust has agreed to be a collection and storage point for us. If you can help at all please refer to the following guidelines:

- 1) Take supplies to Springhead Trust from Monday 14th – Wednesday 16th.
- 2) Only one category of supplies per box. Please do not mix up goods.
- 3) Goods to be packed in boxes secured with lids and/or parcel tape. Shoe box size up to medium sized boxes that can be carried by one person are ideal. Mark each box with goods contents in permanent marker pen.
