Workspace(s)	Description
 Outside Area	Noise Assessment for Fireworks Display at Compton Abbas Airfield

Hazard	Who could be harmed and how?	Existing controls	Risk rating (L x S)
 <p>Noise - Fireworks Effect of Firework Noise at Compton Abbas Airfield</p>	<p>All staff, Contractors, Members of the public, visitors</p> <p>How Many? Unknown</p> <p>How? Fireworks create noise that may affect people and animals visiting the Fireworks Display and in the local area.</p>	<p> Animal Welfare All residents of the area surrounding Compton Abbas Airfield will be informed of the date and time of any fireworks at the airfield at least three weeks before the event. This message will be disseminated through social media, Compton Abbas Airfield Website Events page and local Parish Councils. This will allow time for local residents to make arrangements for their animals should they not cope well with fireworks.</p> <p> Firework Timing The fireworks are timed for 19:30 - 19:45 so as not to adversely affect local residents with small children.</p> <p> Location of Fireworks The location of the fireworks area has been determined by airfield management and subject matter experts to be the safest place and have the least impact on local residents.</p> <p> Prior Warning All residents of the area surrounding Compton Abbas Airfield will be informed of the date and time of any fireworks at the airfield at least three weeks before the event. This message will be disseminated through social media, Compton Abbas Airfield Website Events page and local Parish Councils.</p> <p> Weather Warning In the three days prior to any display Compton Abbas Airfield Operations Team will ensure that weather conditions are disseminated to local residents via social media. The weather updates will highlight the effect of fireworks in the local area.</p> <p> Weather Warning - Wind In the three days prior to any display Compton Abbas Airfield Operations Team will ensure that wind conditions are disseminated to local residents via social media. These wind updates will highlight the direction of the limited (and biodegradable) debris and noise to residents in the local area.</p>	<p>6 x 2</p> <p> 12</p> <p>Medium</p>
