PROPOSED TEMPORARY CLOSURE OF VARIOUS ROADS, CANN

I have received an application from Openreach to close Various Roads, Cann as listed: [i] Higher Blandford Road, Cann between Higher Blandford Road, Shaftesbury and Cannfield Farm; [ii] New Lane, Cann in its entirety. The closure has been requested to allow Openreach to carry out pole testing works. These works are programmed to commence between 09:30 - 15:30 on 14th February 2024. Residents access will be maintained.

Openreach will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 26 January 2024.
