PROPOSED TEMPORARY CLOSURE OF MILL STREET, FONTMELL MAGNA

I have received an application from Scottish and Southern Power Distribution to close Mill Street, Fontmell Magna opposite Collyer's Brook between Springhead and a point approximately 90 metres west. The closure has been requested to allow Scottish and Southern Power Distribution to carry out works to a supply. These works are programmed to commence from 27th January 2025 until 31st January 2025.

Scottish and Southern Power Distribution will publicise the road closure in a number of ways: they will place information boards on the road in this area to inform the travelling public of the works; they will carry out a letter drop to local residents directly affected by the works; and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the closure and the diversion route.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 13th January 2025.
