PROPOSED TEMPORARY TRAFFIC MANAGEMENT NOTICE OF VARIOUS ROADS FOR THE GOLDEN AGE OF AVIATION AIRSHOW, COMPTON ABBAS

I have received an application from The AA (Agents for Aero Legends) to implement temporary traffic management for The Golden Age Of Aviation Airshow, Compton Abbas. The temporary traffic management has been requested to allow The AA (Agents for Aero Legends) to facilitate The Golden Age Of Aviation Airshow, Compton Abbas. The temporary traffic management is programmed to commence between 08:00 - 20:00 from 10th August 2024 until 11th August 2024.

The proposed temporary traffic management is as follows:

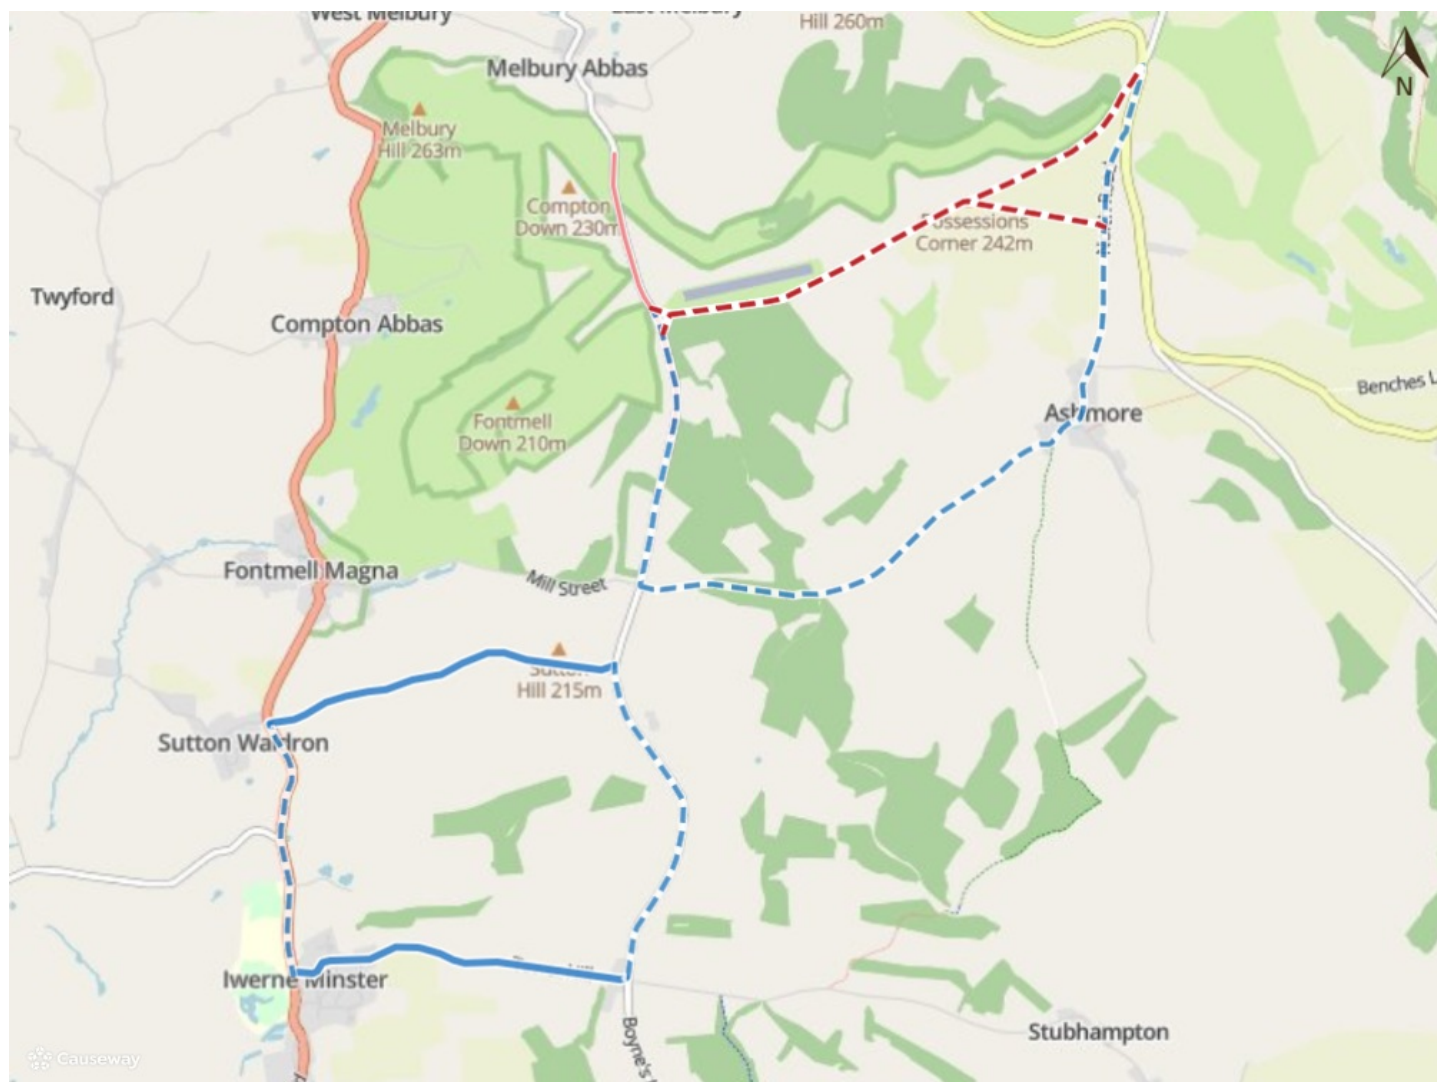

[1] To impose a temporary 30mph speed limit upon C13 Spread Eagle Hill, Compton Abbas and Fontmell Magna at such times and to such extent as indicated by the traffic signs.

[2] To impose a temporary road closure on various roads as listed: [i] Spread Eagle Hill To Possessions Corner - Lane, Compton Abbas; [ii] Possessions Corner to North Road - Lane, Ashmore; [iii] Possessions Corner to Ox Drove - Lane, Ashmore at such times and to such extent as indicated by the traffic signs.

[3] To impose a temporary one-way traffic flow on various roads as listed: [i] Sutton Hill, Sutton Waldron one-way to allow traffic to travel eastbound from A350 towards C13; [ii] Tower Hill, Iwerne Minster one-way to allow traffic to travel westbound from C13 towards A350.

The AA (Agents for Aero Legends) will publicise the speed limit, road closures and one-way traffic flows in a number of ways: they will place information boards on the road in this area to inform the travelling public of the temporary traffic management and they will sign a vehicular diversion route using the local road network. The following map shows the extent of the speed limit, closures, one way traffic flows and the diversion routes.

This document is for information only, however if you have any concerns about this proposal, please contact Jamie Igoe, (trafficteam@dorsetcouncil.gov.uk) by 24 July 2024.
