

# WILLOW WEAVING WORKSHOP – MAKE AN ANIMAL (PIG) SCULPTURE

SATURDAY 17<sup>TH</sup> SEPTEMBER 2022 10AM – 4PM

AT FONTMELL MAGNA VILLAGE HALL, WEST STREET, FONTMELL MAGNA, nr  
SHAFTESBURY, DORSET, SP7 0JP

Your tutor, Kim Creswell Dip.Herb.Med. MNIMH, is internationally recognised for her sculpture work with willow of 30 years, & teaching for over 20 years. A fore-runner in the willow sculpture industry, Kim's work has featured in publications e.g. 'The Sunday Times Magazine', 'The English Garden', 'Green Parent', 'Garden Life' & the BBC's 'Garden Rescue' series. Examples of sculptures & hedgerow basketry can be found at [www.kimcreswell.co.uk](http://www.kimcreswell.co.uk). Kim lives at & manages an off-grid, organically run small-holding & nature-reserve in Dorset. Kim is a practicing medical herbalist details can be seen [www.goldberryherbs.co.uk](http://www.goldberryherbs.co.uk)

Using different coloured willow, grown, without the use of chemicals at Kim's small holding & nature reserve, you will make and take home a willow pheasant on it's own wooden stand. Using original techniques developed by Kim participants will learn willow weaving methods which are transferable to other willow sculptures.
